Corporate Overview

MetLife, Inc. is a leading global provider of insurance, annuities, employee benefits and asset management, serving approximately 100 million customers and more than 90 of the top one hundred FORTUNE 500® companies. Through its subsidiaries and affiliates, MetLife has operations in nearly 50 countries and holds leading market positions in the United States, Japan, Latin America, Asia, Europe and the Middle East.

Founded in 1868, MetLife continues to build upon its long history of providing unique solutions for its customers by launching new and innovative products, expanding its role as a leader, and continuing to provide high quality financial solutions that are backed by a trusted, well-recognized brand name and strong financial performance.

Disclaimer

This video contains forward-looking statements. Forward-looking statements give expectations or forecasts of future events and use words such as "anticipate," "estimate," "expect," "project," "intend," "plan," "believe," "will" and other words and terms of similar meaning, or are tied to future periods. Results could differ materially from those expressed or implied in the forward-looking statements. Predictions of future performance are inherently difficult and are subject to numerous risks and uncertainties, including those identified in the "Risk Factors" section of MetLife, Inc.'s filings with the U.S. Securities and Exchange Commission. The company is not required to publicly correct or update any forward-looking statement if it later becomes aware that such statement is not likely to be achieved.
